

GOALS OF CVSU-NAIC

CvSU-Naic shall endeavor to achieve the following goals:

- Produce technically competent and scientifically-oriented graduates who are imbued with strong entrepreneurial spirit; possess strong social consciousness; and guided by positive values and high ethical standards;
- Conduct relevant research and development activities along fisheries, education, business, information technology, arts and sciences that would contribute to sustainable development in its service areas;
- Implement effective training and outreach programs that emphasize self-help, critical thinking and life-long learning;
- Manage fishery and other enterprise projects to promote economically viable and environment-friendly approaches and techniques; and
- Establish strong linkage with non-governmental organizations, other government entities and the basic sector for the realization of common goals.

CVSU VISION

A premier university
in historic Cavite recognized for
excellence in the development of globally
competitive and morally upright individuals.

CVSU MISSION

Cavite State University shall provide excellent,
equitable, and relevant educational opportunities
in the arts, science, and technology
through quality instruction and responsive
research and development activities.
It shall produce professional, skilled and morally
upright individuals for global competitiveness.
